

THINGS YOU NEED TO KNOW FOR YOUR ABRSM GRADE ONE EXAMINATION

You will be tested on 2 scales, which you will need to learn **from memory**.
These are C major, and A Minor.
These are **not quick**. But should be played really smoothly.

You will also be tested on arpeggios.
Basically, this is a scale
missing some notes!
In an arpeggio you only play the 1st, 3rd
and 5th note of the scale.
